

**NBS Iridium Certus Switch and Save Promotion
Customer FAQs**

1. How do I sign up for the NBS Iridium Certus Switch and Save Promotion?

- Contact your Account Manager or local NBS Sales Office or email mss@nbs-maritime.com. A completed airtime agreement must be submitted via your NBS Sales Office/Account Manager and accepted by NBS prior to shipment of hardware.

2. What are the benefits of taking the NBS Iridium Certus Switch and Save Promotion?

- The key benefits of this promotion are a free Iridium Certus terminal (plus \$500 rebate for 36-month commitment term) as stated in the applicable T&Cs along with NBS unique Value Added Solutions that enable you to control your costs and manage your data usage. This achieved through:

- Six months free INTEGRA Control Lite - included so that you're in control and avoid or limit overage charges (*)
- Six months free IRIS Tracking Solution (subject to terminal compatibility)
- NBSs 24/7/365 Global Customer Support.

3. What are the AST Iridium Certus Switch and Save Promotion terms and conditions?

- The Terms and Conditions for this promotion are available and your account manager can present to you

4. What are the eligibility criteria for the AST Iridium Certus Switch and Save Promotion?

- The promotion is only valid for upgrade of an Iridium competitor satellite service (such as Inmarsat Maritime Fleet Services, KVH and other services) and is not valid when switching from Iridium OpenPort.

The following evidence of "competitor replacement" is required:

- Competitor terminal's IMEI
- Competitor Terminal Type
- Competitor Plan being deactivated

5. Where can I review existing NBS Terms and Conditions?

- All existing NBS terms and conditions are available via our website www.nbs-maritime.com

6. Is everything I need included in the NBS Iridium Certus Switch and Save Promotion?

- Your chosen free satellite communication hardware and selected airtime subscription (as stated as available in the Terms and Conditions), and appropriate Value Added Services are provided by NBS. The NBS Service Fee is not included.

You arrange insurance and pay for any airtime overage. NBS team are able to arrange the installation. Any non-standard peripherals or accessories (e.g. phones, handsets, non-standard cables, etc.) are available at extra cost and must be paid up front or to agreed terms.

For full details of what is included refer to the NBS Iridium Certus Switch and Save Promotion Terms and Conditions (available via our website www.nbs-maritime.com).

7. Can I choose what is included in the NBS Iridium Certus Switch and Save Promotion?

- You have a choice of a free Iridium Certus terminal and airtime subscription (as stated as available in the applicable Terms and Conditions); all other elements of the NBS Iridium Certus Switch and Save Promotion are mandatory. Any non-standard peripherals or accessories (e.g. phones, handsets, non-standard cables, etc.) are available at extra cost and must be paid up front or to agreed terms.

For full details of what is included refer to the NBS Iridium Certus Switch and Save Promotion Terms and Conditions (available via our website www.nbs-maritime.com).

8. What isn't included in the NB Iridium Certus Switch and Save Promotion?

- Insurance, installation and airtime overage are specifically excluded from the NBS Iridium Certus Switch and Save Promotion. Only the elements described in the NBS Iridium Certus Switch and Save Promotion terms and conditions (available via our website www.nbs-maritime.com) are expressly included, everything else will be deemed as excluded.

9. Do I have a choice of Certus terminal with the NBS Iridium Certus Switch and Save Promotion?

- You can choose from available maritime terminals (Cobham SAILOR 4300 or Thales VesseLINK; or Intellian C700 when it becomes available).

10. Is the Cobham SAILOR 4300 19" rackmount terminal available with the NBS Iridium Certus Switch and Save Promotion?

- The Cobham SAILOR 4300 19" rackmount terminal is not included as standard with the NBS Iridium Certus Switch and Save Promotion but is available as an option. To discuss this option please refer to your local NBS Sales Office/Account Manager (refer to www.nbs-maritime.com/contact for your local office).

NOTE: the higher cost differential of the Cobham SAILOR 4300 19" rackmount terminal versus the standard (bulkhead) Cobham SAILOR 4300 terminal must be paid up front or to agreed terms.

11. Does the NBS Iridium Certus Switch and Save Promotion include all airtime costs?

- Not all airtime costs are included, for example, you would need to pay for any airtime over your subscription's specified airtime allowance (data overage, voice).

However, this promotion includes INTEGRA Control Lite service which assists you to pro-actively manage, in real-time, your satellite connection, and therefore avoid or limit data overage charges through threshold alerting.

12. When does the NBS Iridium Certus Switch and Save Promotion contract start?

- The 24-month / 36-month term starts from day of SIM activation. Please refer to the NBS Iridium Certus Switch and Save Promotion Terms and Conditions (available via our website www.nbs-maritime.com) for additional activation conditions.

- Title of goods for hardware passes to customer on completion of the 24- or 36-month commitment term

Please refer to the NBS Iridium Certus Switch and Save Promotion Terms and Conditions (available via our website www.nbs-maritime.com).

15. Is warranty included?

- Yes, standard term manufacturer warranty is included.

16. Is insurance included?

- No. Responsibility for the terminal transfers to the customer at point of receipt of the hardware; and therefore, it is recommended that the customer has adequate insurance in place to the MSRP replacement value of the hardware.

17. Are DSG (Dynamic Shared Group) plans available?

- Yes, in accordance with the NBS Iridium Certus Switch and Save Promotion terms and conditions.

18. When I receive the hardware will I need to activate it?

- Yes, the hardware must be activated to use; activation instructions are supplied with the shipped hardware. Any hardware not activated by the customer within 30 days will be invoiced at the MSRP stated in the NBS Iridium Certus Switch and Save Promotion terms and conditions.

19. I want to upgrade or downgrade my airtime plan, what are my options?

- Airtime upgrades and downgrades are not permissible during the commitment term; any plan change during the commitment term will result in an Early termination Fee.

20. Am I required to insure the hardware?

- It is recommended that you have adequate insurance in place to the MSRP replacement value of the hardware.

21. What if the hardware is lost or stolen?

- Please refer to your Insurance Broker as necessary. It is recommended that you have adequate insurance in place, for the full commitment term, to the MSRP replacement value of the hardware.

Please refer to the AST Iridium Certus Switch and Save Promotion Terms and Conditions for the specified hardware MSRP. Payments to AST under the terms of the promotion will continue to be due.

22. Is repair and maintenance of the hardware included?

- Repair and maintenance of the hardware is provided in line with the terms and conditions of warranty applicable to your hardware (Cobham or Thales); please refer to your warranty documents in the first instance.

Any repair or maintenance that falls outside of warranty please contact NBS's Customer Support team to discuss options
